

## 2013 CPT Changes Webinar

On **Monday December 17, 2012 from 12:00-1:00pm ET**, DocuTrac, Inc. will host a Webinar for Office Therapy® users to address the 2013 CPT changes for Behavioral Health Providers that become effective on January 1, 2013.

Register to Take Advantage of the  
Webinar on 2013 CPT Code Changes

This web session designed for Office Therapy users will address the new CPT codes, including the new add-on codes that will be required for reporting Psychotherapy services. Details for accurate and proper coding when assigning these new codes will be provided. This webinar is free to Office Therapy users who are current on maintenance. See details below.

The Webinar will cover:

- Overview of 2013 CPT codes for Psychotherapy reporting
- CPT compliant coding guidelines for accurate reporting
- Overview of CPT Manager in Office Therapy Version 11
- Question and answer session

### Register Early, Limited Space Available!

Register by calling **1-800-850-8510**. Participants must be current on maintenance and running the most recent version of Office Therapy to register for this FREE Webinar. Registration will close on December 12<sup>th</sup> or when the available space has been filled, so please register early.
