

Office Therapy[®] Billing Services

Office Therapy Billing Service allows Providers to do what they do best...

Because you already have a full-time commitment to your clients, let your billing be our full time priority. We can assist you in managing every aspect of the billing cycle.

The idea of offering a billing service for providers was a natural evolution for DocuTrac since we have been providing customers with quality documentation and billing software solutions for nearly two decades.

Office Therapy Billing Service offers HIPAA Compliant Services including the following:

- Verification of Insurance Benefits
- Electronic Claims Filing
- Monthly Client Statements
- A/R Follow-up
- Managing Client Accounts
- Monthly Reports

Never in the history of healthcare have there been so many continuous changes and regulations regarding billing and coding compliance. Version 5010 and ICD-10 deadlines are around the corner, but these concerns need no longer be yours. This is part of what our billing service can do for you.

At DocuTrac, we respect the individuality of each practice and provider. We realize how daunting it can be to make a change, but we promise you a smooth transition and most importantly the priceless commodity of TIME for your patients.

Please contact us for more information regarding our services and rates.
